November 19, 2020

Dear Parents and Guardians,

Every year in November, the York Catholic District School Board activates its Inclement Weather Procedure in order to make decisions and take appropriate actions to keep students and staff safe when weather impacts road conditions and prevents a safe passage to school.

This year, due to the COVID-19 pandemic, the YCDSB Inclement Weather Procedure must change based on direction from York Region Public Health.

### What's new?

If buses and other forms of school transportation are cancelled due to inclement weather, **all schools will be closed to students. DO NOT bring your child to school. All students are to remain at home and access remote learning for the day.** Teachers will provide live remote learning for all students through their virtual classrooms.

Tests, quizzes, as well as, non-virtual parent meetings will be cancelled and rescheduled.

Before and After School (B&A) Programs **will not operate on inclement weather days, if buses are cancelled** and schools are closed to in-person learning.

Child Care Centres will remain open at the discretion of the individual operators.

### How will parents be notified?

When buses are cancelled due to inclement weather, parents are encouraged to listen for reports on the radio and television stations listed below.

- Parents will receive an email through School Messenger by 7 am.
- Notifications will be posted on the [Board website](#), [all school websites](#) and the Board's Twitter account ([@YCDSB](#)).
