

Welcome to
Kindergarten

This year I get to go to Kindergarten.

After the summer, I will go to St. Michael Catholic Academy

There are happy
teachers to greet me.

I will make a lot of
friends.

I will go to my new classroom.

I take off my jacket and backpack and put them in my cubby.

My cubby has my name on it, so I know it is mine.

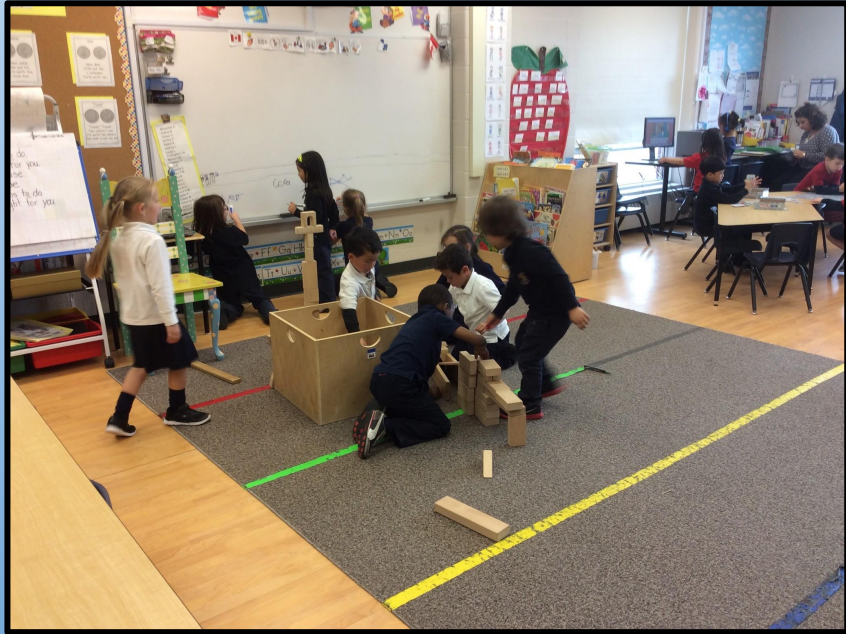

I sit on the carpet for
circle time.

I listen to the teacher.
We have a lot of fun.

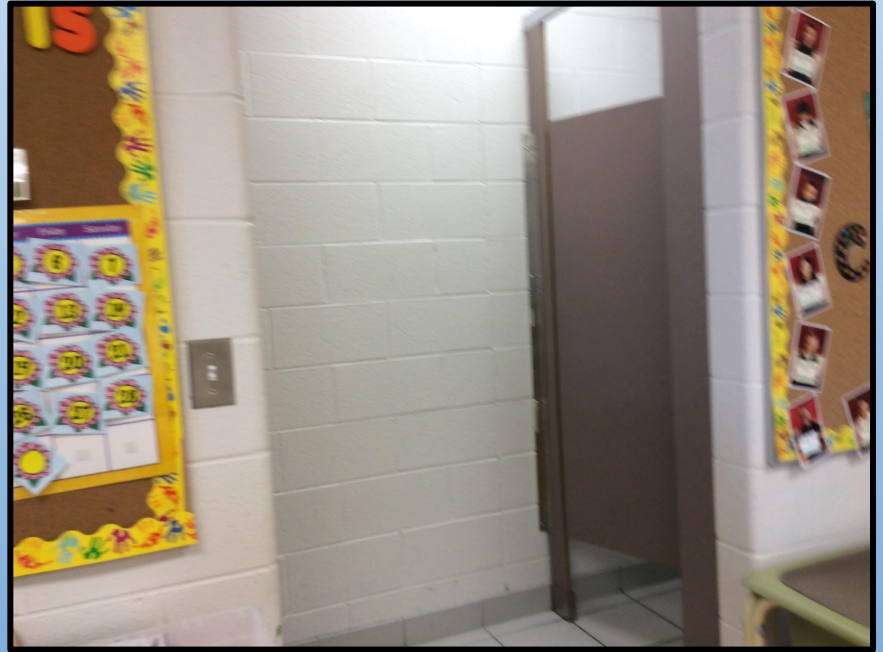

My class has many centers.

We play at centers like Ipad, Lego and arts and crafts.

There is a bathroom in my classroom that I can use.

My class goes outside if
the weather is nice.

This is called recess.

I have fun playing in the
playground.

I am able to go to fun places with my class like the gym, library and music room.

I will have a lot of fun in Kindergarten.

At the end of the school day, I go back to my cubby and get my backpack and jacket.

I will be picked up to go home. I am happy.

I will have fun in Kindergarten!
