

Inclement Weather Procedures

As the winter weather approaches we wanted to update you regarding our Inclement Weather procedure for the 2021/2022 school year.

Once again this year, due to the COVID-19 pandemic, our Inclement Weather procedures will be based on direction from York Region Public Health.

As a result, in the event buses are cancelled due to inclement weather:

- **All schools will be closed.**
- Students are not to come to school.
- Student learning will be asynchronous and remote; students will work on previously assigned tasks such as long term projects, or spend time reviewing material previously covered.
- No new work will be assigned.
- Tests, quizzes and in-person parent meetings will be cancelled and rescheduled.
- B&A programs will not run.
- Child Care Centres may remain open at the discretion of the operator.

As a reminder, the decision to cancel school transportation service is region-wide, meaning all school buses, vans and taxis will not be operating.

The decision will be made by 6 am in the morning and will be communicated to all standard media outlets, posted on the Board [website](#) and [Twitter account](#), as well as updated on the [SchoolBusCity](#) website and hotline 1.877.330.3001.

Thank you for your understanding and support.

Inclement Weather: Recess Procedures

Temperature and/or wind chill minus 20 degrees Celsius	Indoor Routine
Temperature with wind chill minus 17 to minus 19 degrees Celsius (routines also dependent on yard conditions)	Outdoor Routine (am & pm recess) and outdoor routine shortened to 20 minutes (20 minutes indoors, 20 minutes outdoors) during lunch recess. * at Principal's discretion
Minus 16 degrees Celsius and above	Outside routine
